NEWS and UPDATES from provider:

Since their move to a new site in July 2023, Springfield Training are one of the many providers flying the flag for Yorkshire excellence. Most recently, they have launched their Skills Connect funded "Health & Social Care Passport" training programme. This comprehensive course is designed to equip learners with the essential skills and knowledge needed to excel in the dynamic field of caregiving.

Their Senior Leadership team is also regularly out on the road supporting & championing their apprenticeship provision. A factor that supported their win in the Yorkshire Learning Provider awards for Outstanding Apprenticeship Delivery, which focused on their brilliant manufacturing team.

How Springfield Training benefit from a YLP membership

We asked Deputy CEO, Dan Howard, for his thoughts on the benefits of a YLP membership. He described the following:

Yorkshire Learning Providers allows access to different networking events & opportunities. This allows for introduction to other likeminded organisations & support networks that can add value to delivery.

Working with YLP also opens up opportunities to become delivery partners on local programmes.

There are comms, updates, newsletters, webinars and events that we regularly access as an organisation.

YLP work with our providers to better understand what they are looking for, and what we can do to further support local FE.
