How York St John University benefits from a YLP membership

We asked Head of Apprenticeship Delivery, Thomas Burton, for his thoughts on the benefits of a YLP membership. He described the following:

Yorkshire Learning Providers provides a voice for Yorkshire based providers and regularly gives updates on the area.

The CPD & conferencing opportunities are great for networking and guest speakers are always well chosen.

The regular LSIP updates are very useful and the consistent comms with government bodies.

YLP work with our providers to better understand what they are looking for, and what we can do to further support local FE.
