NowSkills

NowSkills brings together committed apprentice employers, motivated apprentices, with their own design of digital apprenticeship programmes that enable employers to develop their digital talent.

NowSkills only delivers digital apprenticeships, enabling them to focus on, and continually develop their curriculum with digital innovation and in-demand skills. NowSkills training team members are selected for their technical knowledge and enthusiasm for teaching and learning and of course technology, that will enable their apprentices to flourish in a competitive digital workplace.

NEWS and UPDATES from provider:

In the New Year, a new Managing Director was announced, Danny Wells. A promotion for Danny from Operations Director to Managing Director – congratulations Danny! Part of the new & enhanced vision is for Now Skills to be a provider of choice in digital apprenticeships. In February 2024, Now Skills celebrated 10 years in business and as they adapt their provision to meet the changing & future needs of the IT & digital sector. Now Skills take a keen focus on adaptive learning to meet employer & apprentice needs, underpinned by delivering essential skills to all apprentices covering –

- **Cyber Security**
- **Data Analytics**
- **Artificial Intelligence**

Now Skills have expanded their offer from the North West, and now deliver to employers and apprentices across Yorkshire. They are constantly looking for new and emerging apprenticeship standard to meet employer demands.

Now Skills are keen to also evolve into Bootcamps, and offer demand led data & digital bootcamps that support industry need especially linked to data technician and analysts. Now Skills have started engaging with the Apprenticeship Ambassador networks to identify their data * digital needs, as they have recognized this is a big area highlighted in the local LSIPs as a growing & critical business need.

How Now Skills benefit from a YLP membership

“Now Skills joined YLP to have a regional focus into Yorkshire and a better alignment and knowledge of what’s going on in the area and networking with other Yorkshire based providers and businesses. We welcome the opportunity to collaborate, support and share knowledge with other providers and value the support we have received so far from the team at YLP”

Danny Wells, MD, Now Skills

YLP work with our providers to better understand what they are looking for, and what we can do to further support local FE.
