

# MEMBER VISIT *Talented Training*

At **Talented Training** their aim is to deliver progressive training with an emphasis on developing individuals, whilst making their courses a fun environment to learn in. They **operate throughout the UK** and have various partnership arrangements with organisations — including Job Centre Plus, for highly focused training services delivering for both the unemployed and employed.

## Building Futures with Talented Training

### I.A. Security

Security courses based within the private sector

### Digital Skills

Social media, IT, and cyber security awareness

### Construction

CSCS Courses in construction, warehousing and storage

### Return 2 Work

Employability and well-being help you step back into work

## NEWS and UPDATES from provider:

Last month, Mayor Tracy Brabin was hosted at Talented Training. The visit enabled them the opportunity for the Mayor to meet employers and learners who have already benefitted from these programmes and to interact with learners currently on courses.

*"This visit highlights the mutual commitment of Talented Training and the West Yorkshire community to education, training, and professional development. We are delighted to showcase our contributions to the region and expresses gratitude for the support and recognition of our efforts in advancing education and workforce development in West Yorkshire."*

**Marios Chrysostomou, MD**

Four pathways are available, for people to progress into skilled roles in the construction sector, warehouse management or security.

## How Talented Training benefit from a YLP membership

We asked **Contract Manager, Jay Luke**, for his thoughts on the benefits of a YLP membership. He described the following:

*"Our main benefit from being a Yorkshire Learning Providers member is knowing we are not alone."*

*"Receiving advanced knowledge of forthcoming issues is another benefit"*

**YLP work with our providers to better understand what they are looking for, and what we can do to further support local FE.**
