### **How Exceed benefit from a YLP membership**

We asked the team at Exceed Training Company, for what they believe are the main benefits of a YLP membership. They described the following:

*YLP are an approachable organisation - we don't feel too small or insignificant. We feel that we can always pick up the phone to any of the staff, as they are all supportive and we know they will always be on-hand to provide help and guidance. We really like the newsletters and bulletins as they are insightful and easy to read.*

**YLP work with our providers to better understand what they are looking for, and what we can do to further support local FE. Get in touch at [info@wylp.org.uk](mailto:info@wylp.org.uk)**
